Approved For Release 2006/01/	03 : CIA-RDP82-00457R007	'100440006-3 25X1A
ECREP COMPROL/US	OFFICIALS ONLY	

25X1A	driving school trucks were seen at the field:
25X1	that it was to be extended 500 meters (5)25X1
	7. The Soviet soldiers at the field whose morale had improved considerably as a result of latest events in Korea were often heard saying: "The Americans shall learn to swim." They did not designate their stay in Germany as "occupation" or "safe-guarding of an allied country", but as a "front".
25X1A	Comments. (1) One fighter corps head warters with assigned head warters units are believed to be stationed in "ittstock. Several courier planes
25X1C	of this headquarters are possibly stationed at the field. (2) Fost of the were previously reported by the same source. 25X1
25X1C	25X1A h bent is not known; present assignment unknown,
25X1C	it was reported to be assigned to a unit in Doeberitz. At that time the airfield was occupied by fighter units. The assignment of are not known.
25X1A `	(3) The location of the radar set, which belongs to the headquarters of the fighter comps, was previously remorted. (4) A set of this type is reported for the first time. No details are known. For sketch of set, see Annex. (5) The information is received for the first time.
